Article 1 – Number of Places Available and Participation Requirements

The University of Rome Tor Vergata, officially opens the call for admission to the five-year One-cycle Degree in Pharmacy.

The admission is based upon examination, for a total number of 100 places, distributed as follows:

- a) 70 (seventy) available to Italian citizens, EU citizens and non-EU citizens legally living in Italy (art. 2, Italian Law n. 189/2002);
- b) 30 (thirty) places reserved to non-EU citizens resident abroad (two of which are reserved to Chinese students participating to the “Marco Polo” programme).

The number of places is established by the Italian Law n. 264, 2 August 1999.

Places reserved for non-EU citizens residing abroad (“b”) that would not be assigned, will be available to applicants of the “a”) category.

Italian citizens, EU citizens and non-EU citizens legally living in Italy can participate to the admission test only holding a Diploma of a five-year Secondary School, issued by an Italian High School Institute, or a qualification obtained abroad and valid for the admission to the Italian University system.

The EU and non-EU citizens, legally living in Italy, holding a foreign certificate, will be conditionally admitted to the test. In case they turn out to be winners, their enrolment to the programme will be subject to the confirmation of the validity of the Diploma obtained abroad, as provided by the Circular MIUR prot.1291 of 16/05/2008: <http://www.studiare-in-italia.it/studentistranieri/>

In case of irregular documentation owned and issued by the student, he/she will be automatically erased from the final official ranking.

The admission test will be held on September 25th 2018

English is the official language of the course.

The beginning of the courses is scheduled on October 16th 2018

- The admission to the One-cycle Master’s Degree in Pharmacy is conditioned to passing a test which will take place on 25th September 2018.

The course is held at the Department of Biology, School of Mathematical, Physical and Natural Sciences.

First year activities will be held at the Department of Biology, Building PP1.

Attendance at lectures and laboratory is mandatory.

The exempted fee categories MUST validate the registration to the admission exam inserting the code CTRL and the code AUTH assigned automatically by the computer system.

According to the Italian law n. 104/1992, all the students with disabilities may send an email to segreteria@caris.uniroma2.it stating the disability (please attach to the email a scanned copy of the medical certificate proving it with the legalized official translation in Italian), so that they could receive the necessary support during the test.

Candidates suffering for dyslexia (certified as for the Italian law n. 170/2010) are required to send an email to the same address, same modality. For these students, a 30% extra-time will be granted to complete the admission test.

The University reserves the right to check the truthfulness of the statements made, exclusion from admission to the programme will be considered as a penalty.

Article 3 - Admission, Contents and Evaluation Criteria

The admission test to the One-cycle Degree in Pharmacy consists in:

- a) Written test consisting of 60 questions (multiple choice) aimed at ascertaining the preparation on the disciplines of secondary schools expected for the academic programme of the course such as Mathematics, Physics, Chemistry and Biology, besides a section on general culture.
- b) An oral test aiming at verifying the knowledge of the English language

TEST SCHEDULE

The written test will be taken on 25th September 2018 at the Department of Biology, Building PP1, Classroom 8 in the School of Sciences; Via Ricerca Scientifica n. 1- 00133 Rome - at 09:30 am; candidates will be identified on the same day starting from 8:30 am.

The candidates will have 100 minutes for the written test.

The oral test will take place on the same day (25th September 2018), soon after the written test.

EVALUATION CRITERIA

The evaluation will consider the following criteria:

- 1) Maximum 60 points for the written test (1 point for each correct answer, 0 point for each incorrect answer or each not given answer);
(N.B. In order to pass the written test the candidate must respond correctly to a minimum of 24 questions);

2) Knowledge of English language (oral test)

N.B.: Candidates not passing the English oral test will be excluded from the final ranking, independently from the written test score. In case of equal score, the younger student will prevail in the final ranking.

IMPORTANT

On the day of test, non-EU candidates will have to show the following documentation to the examining committee:

- Copy of the residence permit (Permesso di soggiorno)
- Copy of the passport

In addition, only for non-EU applicants applying for a visa for study purposes, the copy of the pre-enrollment application submitted to the Italian diplomatic mission in the country of origin must also be presented to the Committee.

Candidates are not allowed to bring brief cases, mobile phones, calculators, computers, manuscripts, books or publications, and any other items are not allowed in classroom, unless the Admission Committee gives different indications. Moreover, during the written test students are not allowed to communicate to each other, except from the members of the Admission Committee or the proctoring staff.

For all the above-mentioned operations, the Committee shall draw up a report.

Article 4 - Committee and Responsible of Procedures

The Admission Committee is appointed by the Rector on the proposal of the Head of the Department of Biology, by his own decree. The Officer in charge of the administrative procedures is Mr Roberto Della Torre, Head of the Student Office of the School of Sciences.
