(*) AMERICAN HIGH SCHOOL DIPLOMA

Students with High School diplomas and two integrative years can be enrolled in the first academic year. They must have passed (score 3 to 5) at least three "Advanced Placements" (APs) , one of which must be in the Italian language and the other two in different subjects related to the course for which they are applying. These students can be enrolled in courses taught in English if they have passed (score 3 - 5) at least three "Advanced Placements" (APs) in subjects which are related to the course they are applying for. Students who fulfill the requirements of the preceding rules may also enroll:

- a High School diploma followed by two complete years of college with grades that give access to the third college year or by one complete college year with grades that give access to the second year and at least 4 Aps in different subjects related to the course he/she is applying for, If one of the Aps is in Italian it is valid for all academic courses

The integration is valid even in those cases in which students have attended schools in other countries. In these cases the competent Academic Boards will evaluate the study program, which in any case cannot be inferior to two years.

For the admission to courses in the area of health and medicine there are no other specific requirements.

HOLDERS OF DIPLOMA FROM GREAT BRITAIN

Holders of these diplomas can be enrolled if they have at least 6 Pass in different subjects, of which at least three must be A level and connected to the course applied for ("course requirements"). If one of these is in Italian, it is valid for all academic courses. The Final diplomas granted by schools in Great Britain, under Annex 2 – point 3, are valid for enrollment in Italian universities under the special conditions in the Agreements between Italy and Great Britain.

GREEK – "APOLITYRION"

Greek students can enroll if they have the minimum average score of 10/20 or above on the Apolityrion.

Greek candidates must also have passed the academic admission test called "VEVEOSSI PROSVASSIS".

Only those who took the "Apolityrion" before 1999 and who can prove that they were living in Italy between 1999 and 2001, are exempt from this rule. This period coincides with the period of transition defined by Greek regulations.
