General information of the university	<p>The Institute of International Relations is a part of Taras Shevchenko National University of Kyiv and is the key educational institution in Ukraine which trains specialists in international relations, international economics, international business, diplomatic relations, international law, international communications and regional studies for the Ministry of Foreign Affairs and other public and private institutions. It was founded in 1944 and has trained over 10 thousand graduates from Ukraine and nationals of over 90 states of the world since then. The Institute of International Relations is a contemporary educational and research centre with a ramified structure and flexible system of organization of academic process with 12 special departments and one all-institute department of foreign languages that trains professionals in six specialities: International Relations, International Law, International Business, International Economic Relations, International Information and Regional Studies. The Institute trains about 2500 students, post-graduate students and trainees; nearly 250 of the nationals from more than 20 countries of the world; over 300 persons are gaining a second degree extramurally. Nearly 200 members of the teaching staff are in charge of the academic process at the Institute.</p> <p>The Institute maintains, enlarges and consolidates contacts with universities and research centers in Ukraine and abroad. Within the framework of inter-university agreements the Institute cooperates with over 60 partner higher educational institutions.</p> <p>The Institute alumni are policy-makers, including two Presidents (of Ukraine and Georgia), six Ministers for Foreign Affairs, Minister of Justice, two Ministers of Ecology and Natural Resources of Ukraine, a number of deputy ministers, Ambassadors of Ukraine to foreign states, members of staff of missions of Ukraine at the United Nations, UNESCO and other international organizations. The Institute takes pride in its many graduates from other nations, including presidents, statesmen, influential decision-makers, diplomats, CEOs of companies, institutions and organizations, outstanding scholars.</p>
