Welcome

Studying in Rome will add an amazing cultural perspective to the quality of your studies.

You will live in a city where you can perceive the passing of time by merely strolling across its central streets: ancient, Middle-Age, Renaissance, Baroque, Neoclassical and Modern Rome are ready to be discovered. It is a centre for inter-religious debate and a place where the founding Treaty for the European Union was signed. In Rome you will be able to enjoy all this, surrounded by a gentle climate, arts and music, fashion and food.

The Campus of Tor Vergata University is about 40 minutes tube ride from the historical city centre of the “Eternal City” Rome and 20 minutes far from the peaceful Castelli Romani area, notorious for its vineyards and hillside landscape.

Tor Vergata’s six Schools (Economics, Engineering, Humanities and Philosophy, Law, Medicine and Surgery, and Mathematics, Physics and Natural Sciences) are located in a vast 600-hectare campus. Each School is provided with its own library, teaching and research facilities, reading rooms, laboratories, canteens and green areas where students can experience a real campus life.

The School of Medicine and Surgery is part of the important University Hospital compound, the Policlinico Tor Vergata (PTV), where students can benefit from health care and physical emergency assistance.

Rome embraces Tor Vergata: let Tor Vergata embrace you!

HEALTH INSURANCE

Having a valid health insurance policy in Italy is essential to request a residency permit. If you have already stipulated an insurance policy in your country of origin and it has been validated by the Italian representation before your departure, you can use it for the first issue of your residency permit.

Otherwise, you have two options once you arrive in Italy: either register with the **National Health Service (SSN)** or stipulate a private policy.

1. National Health Service

The registration with the National Health Service (SSN) will provide you with complete health assistance. You will be assigned (or you can choose) a general practitioner (also called “family doctor”). Registration is valid for one calendar year (from January to December). **How to register at the post office:**

Fill in the slip and pay € 149.77 (postal current account no. 370007) in the name of “Tesoreria Provinciale dello Stato, Regione Lazio” and write the following description in the space provided: “iscrizione volontaria al SSN year...” (which means ‘voluntary registration with the SSN’ for the year in question). The closest ASL to the University is in viale Cambellotti n.11, Rome (Opening hours: from Mon. to Fri. 8:00 am. - 05:00 pm and Saturday 8:00 am -12:00 pm).

2. Private Health Insurance

As an alternative to the National Health Service (SSN) you might consider subscribing a private health insurance policy with any private insurance agency that provides the cover of emergency healthcare treatments in public hospitals. The majority of them are valid for 6-12 months from the date of payment. To take out the policy and obtain information on how to sign the health insurance contract, you have to contact the chosen institution and ask about for the procedure.

Studying at Tor Vergata University

ENROLLMENT PROCEDURES FOR A DEGREE COURSE (INTERNATIONAL STUDENTS)

The enrollment to Universities in Italy is regulated by ministerial procedures meant to establish different modalities of access for:

- **EU holding a foreign title & non-EU students residing in Italy and holding a foreign title.** This category includes EU citizens assimilated students and non-EU citizens with a resident permit holding a foreign title. Nationals of Norway, Iceland, Liechtenstein, Switzerland and the Republic of San Marino, as well as refugees and persons with subsidiary protection status, including personnel in Diplomatic Representations abroad and in international institutions based in Italy and accredited to the Italian State or to the Holy See, and their dependent family members (spouses and children), are considered equivalent students.

After the admission test you will have to complete the registration procedure following the instructions of the category you belong to, as reported on the website here below:

- **Non-EU students not resident in Italy (Study Visa applicants):** This category includes students with the nationality of a non-EU country who do not reside in Italy and therefore apply for a student visa.
- **Non-EU students holding an Italian title:** Extra-EU citizens legally resident in Italy and with a final qualification obtained in Italy are admitted to study under the same conditions as Italian citizens, i.e., with no limit on the number of places reserved and without having to take the Italian language proficiency test.
- **“Marco Polo Program” Chinese Students:** The “Marco Polo” programme consists of an intergovernmental agreement between Italy and China, with the purpose of promoting the presence of Chinese students in Italian universities. Students participating in this project will have the opportunity to arrive in Italy earlier than other international students and study Italian for 10 or 11 months (required level of Italian: B2).

ENROLLMENT PROCEDURES FOR A MOBILITY PROGRAMME (ERASMUS AND OVERSEAS STUDENTS)

Enrolment is exclusively online. We will send all students, who have already pre-registered on Mobint, the confirm of enrolment with the log-in data: registration number (MATRICOLA) and password to access the personal page of the Delphi system, as well as the guidelines for the activation/creation of Office 365 and Microsoft Teams. We will also include all the necessary information to obtain the Fiscal Code, which is required to complete the registration. In order to know the arrival date, all students will be requested to email us at: mobilitastudenti@erasmus.uniroma2.it with the flight ticket.

GRADES AND CFU (ECTS)

In Italian Universities grades are given on the basis of 30 points: 18 is the lowest passing grade (sufficient), and 30 is the highest grade. In case of particularly outstanding performances, a “lode” can be assigned and the grade is registered as 30 cum laude (30L online). Only if you pass the examination for a course will you receive the relevant university credits. Exams are usually worth 6 or 12 credits. The Transcript of Records is being filled once you have passed each exam included in the Learning Agreement. Please note: the failed exams will be listed neither in your Grade Booklet nor in the Transcript of Records. Therefore, you will not be awarded the equivalent university credits.
