

BLENDDED INTENSIVE PROGRAM
A.Y. 2024-2025

Arctic Winter School

Event venue
University of Lulea
3-7 March, 2025

1. The project

A. Partners involved

- University Namur (UN) - Belgium
- University of Toulouse (UT) – France
- University of Rome Tor Vergata (UNITOV) – Italy
- University of Lulea (LUT) – Sweden
- University of Lussemburgo (UNILU) – Luxembourg
- University of Henrich Heine (UHH) – Germany
- AGH University of Cracow (AGH) – Poland

B. Students involved

- Max 7 students from UN
- Max 8 students from UT
- Max 7 students from UNITOV
- Max 7 students from LUT
- Max 7 students from UNILU
- Max 7 students from UHH
- Max 7 students from AGH

C. Pedagogical project

Content:

- Environment and society in the changing Arctic. The Arctic Five collaboration.
- Polar atmosphere and its significance for solar-terrestrial interactions, space weather.
- Auroral physics and observations.
- Optical phenomena in the polar regions.
- Snow and ice in different perspectives.
- Arctic climate systems and climate change.
- Nano satellites, rockets and balloons for polar research.
- Survival in the cold environment.
- Space product innovation.
- Language studies: terminology for New Space and polar research.
- Linguistic aspect of intercultural communication.

More information on the programme can be found at the following link:

<https://www.ltu.se/en/student-web/studying-abroad/universeh/arctic-winter-school>

D. Online activities

The online activities will be scheduled from the beginning of February up to the end of March 2025

E. Onsite activities

All the activities in presence will be organized University of Lulea from 3rd to March 7th, 2025

F. Associated ECTS

Each participant will receive an attendance certificate.

The course workload is 3 ECTS and it can be validated through a Learning Agreement.

2. Funding and scholarships

The project is funded by ERASMUS+ and students from the University of Rome Tor Vergata will have a scholarship to cover the costs related to the short-term physical mobility. All the students enrolled in a bachelor, master, single cycle or PhD for the academic year 2024-2025 are eligible for the scholarship.

The project is funded by ERASMUS+ and students at the University of Rome Tor Vergata will receive a grant to cover the costs of short-term physical mobility. All students enrolled in a bachelor, master, single-cycle or PhD programme for the academic year 2024-2025 are eligible for the scholarship.

Students participating in the mobility will receive the following grants:

Type of contribution	Eligibility requirements	Amount of contribution
Individual support	Students selected for the BIP programme	From the 1 st until the 14 th day of physical mobility: 79 € per day
		From the 15 th until the 30 th day of mobility: 56 € per day
TOP-UP	Students selected for the BIP programme with fewer opportunities	From 1 st until 14 th day of mobility: 100€ one-off
		From the 15 th until the 30 th day of mobility: 150 € one-off

For students with fewer opportunities, please refer to the National Guidelines at the following link: https://www.erasmusplus.it/wp-content/uploads/2024/02/Disposizioni-nazionali-HE_v-2_2024.pdf

The University of Rome Tor Vergata provides for the recognition of specific travel grants to support for physical mobility carried out at partner institutions within the framework of the Erasmus BIPs. These contributions travel grants, in implementation of the Erasmus+ 2021-2027 Programme, are aimed at encouraging international student mobility for students with fewer opportunities.

The subsidy for the travel, according to the Programme Guide, is calculated on the basis of unit cost scales for distance bands. The distance band refers to a single leg of the travel while the corresponding tariff covers both the outward and the return flight.

The contribution is recognized up to the amount indicated in the table below:

Travel distances	Amount for travel
From 10 to 99 KM	€ 28,00
From 100 to 499 KM	€ 211,00

From 500 to 1999 KM	€ 309,00
From 2000 to 2999 KM	€ 395,00
From 3000 to 3999 KM	€ 580,00
From 4000 to 7999 KM	€ 1.188,00
8000 KM or more	€ 1.735,00

Students must apply by **15 November 2024 (12 noon)**. The results of the call for applications will be published on 15 November 2024 on the website.

3. Application requirement and evaluation requirements

BIP Application requirements for Tor Vergata students:

- Application deadline is scheduled for: November 15, 2024 (12.00)
- Applicants have to be enrolled at the University of Rome Tor Vergata in a bachelor or master or single cycle degree or a doctoral course/PhD program (in Italian or in English) at the time of application and at the school time must be enrolled in the university at the time of submission of the application and during the period of the school
- English language requirements: English level B2
- Complete the application form and attach a letter of motivation (max. 250 words) as well as a current certificate of study.

4. Application procedure

To APPLY, access the following link: <https://forms.office.com/e/shKssFbARL>

The deadline for the submission of the online application is November 15, 2024 (12.00)

5. Contact information

For any issue related to the application BIP please write to both addresses below:
