C. Programme

The UNIVERSEH Winter School 2025, “*Space Through Literature, Theatre, Cinema, and Other Arts*”, is hosted by Tor Vergata University of Rome (WP2 – Space Crew) and conceived by CLICI – Center for Italian Language and Culture.

The School aims to offer to the students from all UNIVERSEH partner universities the opportunity to explore Space through the lens of literature, drama, cinema, and other arts.

The programme investigates how these artistic forms have represented the imagery of outer space and how such representations have, in turn, inspired scientists and researchers across history. This interdisciplinary approach makes the School an ideal setting both for students from the humanities and for UNIVERSEH students with professional or academic interests in space-related studies.

The Winter School will include lectures, cineforum sessions, *language and fun* activities, and networking opportunities designed to foster interaction between the humanities and the sciences.

A guided visit to Villa Mondragone in Frascati will take place on 13rd December, during which certificates of attendance will be awarded to participants.

D. Online activities

The online activities will be scheduled on 24th and 27th November 2025, and 4th December 2025.

E. Onsite activities

The activities in presence will be organized at the Tor Vergata University of Rome from 9th to 13rd December 2025.
