Student Services and Activities

Accommodation

■ **DISCo Lazio – Regional Agency for the Right to Education** assigns housing places to out-of-town students, subject to a call for applications, enrolled in universities with registered offices in Lazio. For any further details visit www.laziodisco.it

■ **CX Rome:** Located within the University Campus, you'll find CX, Italy's biggest student housing, divided into 17 units and surrounded by 15,000 square meters of green paradise. Imagine living in a place where every detail is designed for your well-being: a shuttle service that conveniently takes you to academic buildings, the Tor Vergata Polyclinic, and the subway, stress-free. A sports area invites you to stay in shape, with a high-tech gym and multi-purpose fields for all types of activities. Barbecue areas for unforgettable moments with friends and quiet spaces dedicated to relaxation, leisure, and study rooms allow you to prepare for exams in complete peace. Here, every day is a unique experience, in an environment that welcomes and inspires you. For further details, visit www.cx-place.com

■ **Tor Vergata's Housing service** is available at the Welcome Office. For information, please write to: housing@uniroma2.it
Opening hours:
Monday and Friday: 9:00 AM - 12:00 PM,
Wednesday: 9:00 AM - 12:00 PM
and 2:00 PM - 4:00 PM.
https://web.uniroma2.it/en/percorso/campus_life/sezione/accommodation

■ **Insieme siamo migliori/Together We Are Better** is an intergenerational solidarity initiative designed to connect the needs of out-of-town and international students seeking affordable accommodation with those of families, couples, and seniors who have unused or underutilized spaces in their homes.

In return, hosts receive assistance with household expenses, minor help, and/or companionship.

Launched by Tor Vergata University of Rome, this project aims to tackle the issue of university housing shortage in a structured and unique way within the Lazio region, strengthening the university's bonds with the local community.

International Agreements

Tor Vergata University of Rome has several joint research programs and more than 500 bilateral agreements with Partner Universities all over the world. This implies excellent Erasmus+ opportunities, Overseas study-abroad scholarships for undergraduate and graduate students and joint research opportunities. Tor Vergata University also offers summer and winter programs and Blended Intensive Programs (BIP).

Valorisation of Research and Student entrepreneurship (Start-up)

Tor Vergata University of Rome actively promotes the valorisation of research by engaging in continuous dialogue with companies, organizations, and institutions,

and by operating dedicated offices for patent protection and entrepreneurial initiatives.

Since 2015, the University has coordinated Start Cup Lazio, the leading regional entrepreneurial validation program that supports emerging start-ups in connecting with key players in the national innovation ecosystem, building their networks, and shaping their markets. The Start Cup Lazio Business Plan Competition is organized by Tor Vergata University in collaboration with the Lazio Region – Lazio Innova, which coordinates a network of universities, research institutions, SMEs, venture capitalists, banks, and incubators.

Training and mentorship programs focused on business idea validation and business planning, based on the EntreComp framework, are offered to all participants.

Start Cup Lazio has been recognized by both the OECD and ANVUR (VQR) as a best practice for sustainable development.

The annual call for applications is published on the Tor Vergata University website and on www.startcuplazio.it

Tor Vergata University in the main International rankings

In the QS World University Rankings 2026, Tor Vergata has significantly improved its overall position, ranking 355th worldwide (previously 393rd).

In just two years, it has moved from 14th to 8th place in the QS ranking within Italy. Moreover, Tor Vergata is the leading comprehensive university in Italy for international students. It has gained 74 positions in just one year in the QS ranking and scores strongly for “diversity,” with students from 130 countries.

Tor Vergata ranks eighth in Italy in the QS ranking, first among young universities!

Tor Vergata confirms its role as a key player among the new generation of universities, being the only young university in the Top 10 Italian universities in the QS 2026 ranking. In the general ranking compiled by Times Higher Education (THE), Tor Vergata is placed in the 301–350 range for 2025 out of over 2,000 universities considered worldwide. Nationally, Tor Vergata ranks 9th among the 57 Italian universities included in the ranking. Additionally, in the third edition of the QS Sustainability Ranking published in November 2024, Tor Vergata is ranked 315th out of 1,794 universities considered.

The Italian University System

The Italian University System is based on three cycles, according to the “Bologna Process” which ensures comparability in the standard and quality of higher education qualifications among European HE Institutions

Bachelor of Arts or Bachelor of Science (Bachelor Degree)

- **B.A./B. Sc.** – duration 3 years – 180 ECTS
- **Master of Arts or Master of Science** – M.A./M.Sc. – duration 2 years – 120 ECTS
- **One – cycle Degree** – Undergraduate M.A./M.Sc. – duration 5/6 years – 300/360 ECTS
- **Doctoral degree** – PhD – duration 3 years

Foundation Course in English

The “Foundation Course” is a program, taught in English, and introduced to prepare international students for study at Italian universities, familiarize them

with the language and provide them with the knowledge for the admission tests. The Foundation Course is aimed at international students who have completed High school but do not have the minimum 12 years of schooling required to enroll in an Italian University, and/or the qualification required in their country to enroll in a University. The course is also intended for those who wish to improve their background and linguistic skills even if they have the minimum 12 years of schooling.

<https://web.uniroma2.it/en/percorso/admissions/sezione/foundation-course-in-english>

The system also offers other post-graduate courses (typically 1 year, 60 ECTS):

- **First Level Specializing Master** (access with B.A./B.Sc.)
- **Second Level Specializing Master** (access with M.A./M.Sc. or Undergraduate M.A./M.Sc.)
- **Post-Graduate Training Course** so-called “Corsi di Perfezionamento”. (For access please contact the course staff)
- **Specialization School** (access with M.A./M.Sc. or Undergraduate M.A./M.Sc.)
