C. Programme

Space Entrepreneurship: From Idea to Venture. This Blended Intensive Programme brings together students from across the alliance to work in interdisciplinary teams, develop innovative startup ideas and pitch their projects.

Participants work in interdisciplinary teams to transform space-related ideas into viable ventures, supported by mentoring from experts and entrepreneurs.

More information on the programme can be found at the following link:
<https://universeh.eu/events/startech-summer-school-2026/>

D. Online activities

The online activities will be scheduled from 15th April to the end of May 2026.

E. Onsite activities

All the activities in presence will be organized at the University of Luxembourg (Belval Campus) from 4 to 8 May 2026.

F. Associated ECTS

Each participant will receive an attendance certificate.

The course workload is 3 ECTS and it can be validated through a Learning Agreement.

2. Funding and scholarships

The project is founded by ERASMUS+ and students from the University of Rome Tor Vergata will have a scholarship to cover the costs related to the short-term physical mobility. All students enrolled in an undergraduate, postgraduate or single-cycle degree programme for the 2025-2026 academic year are eligible for the scholarship. Scholarships will cover the travel tickets and students will have a fixed amount of payment for each of the 7 days of stay in Luxembourg for covering the accommodation cost. For further information about the financial aid you can refer to the university website: https://web.uniroma2.it/it/percorso/area_internazionale/sezione/bando-per-partecipare-ad-un-bip-organizzato-da-altre-universit-europee
